We also wish to extend our gratitude for all the hard work, time, and enthusiasm, which the HHS Musical Production Support Group have invested in this show. This group of dedicated students and parents formed an Incorporated Society at the end of 2005 in support of Hillcrest High School's strong tradition of high-standard shows - without you this project would not have been possible!

Anyone passionate about the school's strong Performing Arts Programme and interested in supporting it, particularly its 2007 production, is invited to join the group's fun and energy and contact David Ray on 856 8972 for details.
