The most beautiful sound I ever heard: [Music notation]
we'll find a new way of living
we'll find a way of forgiving
some where
there's a place for us

lightly and sparsely around cymbals
somewhere a place

peace and quiet

and open

wait

for us

some - where

there's

a soft and

breathy
time

for us

---
hold my hand and where half way there hold my hand and I'll take you there somehow somehow some day

some how some how...
hold my hand and I'll take you there some how some day some where
