A MUSICAL BASED ON THE JOURNEY OF MIDDLE AGE

"IT'S RAW AND REAL, HAS LOTS OF LAUGHS AND A FEW TEARS"

It's a changing world and we all have to face it. Our hero, Dave is landed with redundancy and a failing marriage while being haunted by the black dog of depression. His wife, Sharon rides the wave of change like a soldier and as she battles through, realises what really matters. Friends, colleagues, even the office play a major role in this raw, real 21st Century story. After its highly successful premiere in July, 2014 don't miss the newly developed version of this entertaining, moving and insightful musical commentary on life at middle age.

TELL ME ON A SUNDAY

Andrew Lloyd Webber and Don Black's classic *Tell Me on a Sunday* is a one-woman show that charts the course of a young English girl newly arrived in New York.

Brimming with optimism, she sets out to seek success, companionship and, of course, love. But as she weaves her way through the maze of the city and her own anxieties, frustrations and heartaches she begins to wonder whether – in fact – she's been looking for love in all the wrong places.

Starring Julia Booth and directed by David Sidwell this all-new production will be the epitome of class.
