It po-uis-tire-ly gleams and sparkles
It is the jewel of our ca-pi-tal.
Here you come across mustaches so wonderful that neither pen nor brush can do...
wrapped up for the night in the most deli-cate rel-lum
for which their pos-ses-sors show a most
which
most
pos-
show

5. Nevsky Prospekt
But as the dusk settles on the houses and street and the night watchman...

But as the dusk settles on the houses and street and the night watchman...

But as the dusk settles on the houses and street and the night watchman...

But as the dusk settles on the houses and street and the night watchman...

But as the dusk settles on the houses and street and the night watchman...

But as the dusk settles on the houses and street and the night watchman...

Then you will encounter large numbers of people, for the most part bears, in warm frock coats and fur coats. Most people are round and warm. The fur coat is a warm cup; the coat of fur is a warm cup. Jacket and coat, cup and cup, cup and coat; cup and cup, cup and coat.
la-dy they've spied from a far a la-dy whose lips and rouge cheeks are so much to the li-king of the pro-me-na-"ders."
