Used to ramble through the park, shadow boxing in the dark.

Then you came and caused a spark that's a four alarm fire now.

Oh, never made love by lantern shine, I never saw rainbows in my wine.

now that your lips are burning mine I'm beginning to see the light.

never, never wink back at fire flies, but,

Now that the stars are shining in your eyes I'm beginning to see the light.

Oh! I never went in for afterglow, but baby!
