Can You Feel The Love Tonight?
(3) Can You Feel The Love Tonight

Can you feel the love to-night, how's it laid to rest?
It's enough to make
There's a time for every one
There's a calm surrender to the rush of day
when the heat of the rolling world
They only learn that the twisting kaleidoscope

There's a time for every one
They only learn that the twisting kaleidoscope
Can You Feel The Love Tonight
