

End of life Care Study Day - Evaluation  
Tuesday 12<sup>th</sup> June 2012

Session	Comment
<i>Family in ICU from an ICU Nurse Perspective</i> <b>Nancy McNamara</b>	<ul style="list-style-type: none"><li>• Interesting &amp; insightful. Could re-evaluate the way we handle relatives. Good account from someone who has been on the “other side”</li><li>• Very informative clearly presented talk.</li><li>• Insightful</li><li>• Interesting</li><li>• Good</li><li>• Good talk</li><li>• Interesting</li><li>• Very interesting</li><li>• Informative and interesting, have an insight into relatives who are nurses, feelings &amp; stressors. Will include this in my practice &amp; relationships with relatives who are nurses.</li><li>• Interesting &amp; informative to know how to relate to other staff &amp; families during a crisis</li></ul>
