Photobookshow - your book in Tokyo

Congratulations

**Your Photobook has been selected
to be shown at F Book Show
in Tokyo Japan**

26 March - 13 April

We have had over 400 photobook submissions, and after a long 4 days of looking through all the books we are pleased to let everyone know our decision.

We will be showing over 100 photobooks in Tokyo Japan, including yours. If you submitted more than one book and would like to know which one we chose, please send us an email and we will get back to you.

We will be releasing the names of participants publicly in the next few days, and will keep you up to date with photos and videos in the run up and during the shows.

Stay tuned to our newsletter and follow us on [Twitter](#) or [Facebook](#) if you do not already.

Best,
The Photobookshow Team
