One of the best parts about travelling to film festivals is the opportunity to meet great filmmakers and watch their outstanding films. The films screening at the 2014 HiSFF have all been official selections at multiple film festivals around the world and have won a number of awards.

We look forward to seeing you next Monday night, there are only a handful of tickets left so it would be great to put the sold out sign up at the theatre. If you are interested in coming along and haven't already purchased a ticket, please contact us via Facebook or scott@chasingtimeproductions.com

Cheers.
