**RE: Confirmation of Role as External Examiner**

This is a letter of confirmation that you were the external examiner for an 18,000 word thesis. This was for the Master of Indigenous Studies candidate Bronson Wharehinga in the period 2014-2015. This role involved reading and marking the thesis, producing a detailed report, as well as correspondence with the convenor of examiners in order to finalise the mark.

It is to be noted that the candidate had to rewrite portions of the thesis, as well as resubmit the thesis back to yourself for final acceptance.

On behalf of the University of Otago, I would like to thank you for your important role as the examiner in this process.
