Kia Ora Kay,

**Re: Scientific Committee.**

This letter acknowledges your contribution as a member of the Scientific Committee and to certify that you have peer reviewed abstracts for the 17<sup>th</sup> Australasian Nurse Educators Conference, to be held in Auckland on the 11-13 November 2015.

The review process was blind and against predetermined criteria. Your efforts in reviewing the abstracts will ensure that the conference will be recognised for the quality of the presentations.

Presenters of papers and posters from both academic and clinical settings will focus on the three sub- themes of **Being, Knowing and Caring** to provide an exciting forum where we can share in – **Co-Creating the Future**.

We hope that you have enjoyed this process. Your contribution has been greatly appreciated.

Kindest regards,

*Bob Howe*
