**Your Photobook Submission**

Thank you for your recent Photobook submission for [I Book Show](#).

Over March we received an overwhelming amount of submissions and spent last weekend looking through them all to make a selection of books to show in St Petersburg.

**Congratulations!**

We really enjoyed looking at your work, and we're please to let you know that your photobook has been selected for [I Book Show](#)!

**Important Show Updates...**

Unfortunately we have had to make a very hard decision and postpone [I Book Show](#) in St Petersburg,

Russia until 18-20 August 2017.

This is due to unforeseen circumstances obtaining our entry visas to Russia, and we have decided it is better to postpone rather than risk cancelling at the last minute.

With this change, we have decided to organised a one night show in our home town Brighton, England, which will be held on Friday 5th of May (the original date of the St Petersburg show).

Our friends at [The Brighton Studio](#) will host [I Book Show +](#), and we will be showing the same books that will later go to St Petersburg in August. Unfortunately we are only able to include the books that were sent to Brighton.

We understand this will be a bit of a shock, it was to us too, but we hope that you understand our dilemma of having to postpone the St Petersburg show, and we hope that a second showing of your work in Brighton helps make things better!

Please do email us with any issues or concerns, we will be happy to help, and thank you once again for supporting Photobookshow.

You can find details for both shows here:
