

CALLING VOLUNTEERS SUPPLIERS & RETAILERS WE NEED YOUR HELP

Following on from an extremely successful trial in Wellington earlier this year, **FREE STORE** is coming to Waitakere City and will be opening in Henderson for a one month trial in February of next year. **FREE STORE** is a community project that brings together community groups, artists, schools, the council and local businesses to help affect change, minimize waste and provide food for no charge to people in the community by redistributing food that would otherwise not be sold.

FREE STORE needs support from the community in order to make the project a success and there are a wide variety contributions needed and roles for volunteers.

WHAT IS THE **FREE STORE**

FREE STORE is a pop up grocery store and for a one month period will become the collection point for Waitakere businesses including supermarkets, small food retailers, growers and producers.

FREE STORE then makes the food available to the public, who will be able to come and browse the store, read about the project and the businesses involved, and take food away with them. By opening to the public **FREE STORE** provides a vital service to many members of the community struggling to meet the increasing demands of the weekly food bill. This service will be promoted to local charities, schools and community groups.

WHY BE INVOLVED

In the current economic climate, customers are increasingly seeking more information about the the economic and social benefits of supporting a business or brand. By contributing to **FREE STORE** your business is:

- Actively participating in the local community
- Minimising waste
- Supporting members of the community struggling to put food on the table
- Demonstrating a commitment to innovation and social responsibility through sustainable business practices

A central aim of FREE STORE is to promote businesses as innovative agents for change. Contributing businesses will be promoted in store, on all printed material and in all media coverage which is expected to be extensive.

PREVIOUS SUCCESS
